B'MORE @ THE BALT

DECEMBER
2024

This year's B'More @ The Balt event was a resounding success. Saturday's event brought families and the community together to provide warmth and joy during the holiday season to those in need. Celebrating 23 years of community impact, this cherished event continues to make a difference in the lives of so many.

Over 30,000 items were distributed to families in the 46218, 46208, and 46205 zip code areas. These grassroots efforts ensure that no family is overlooked, offering vital support to those in our community who need it most. The event fostered a sense of connection, reminding everyone that they are not alone. One participant shared, "It's good to see the community coming together to give back to the people." The children's joy and the families' gratitude highlighted the profound impact of these acts of kindness.

We are deeply thankful for the volunteers, donors, and organizations who made this event possible. Your dedication and generosity are a testament to the power of community. B'More @ The Balt is more than an event; it's a movement to uplift our neighbors and create lasting change. Each year, we are inspired by the outpouring of love and support. Together, we can continue to bring hope and joy to families in need.

Thanks for being part of this incredible journey. According to reports from the Kids Count Data Center, families in the 46218 struggling with financial hardship have fewer resources available to foster their children's development and are more prone to face stress and depression, which can interfere with effective parenting. Let's continue to unite as a community to make a profound impact one family at a time.

With gratitude,
Judah Ministries
